

BRYAN LAKE
CANDIDATE BIO

Born & raised in Keene, NH, I've spent all of my 33 years living, working, and playing in this great City. I received my Bachelor of Science in Chemistry from Keene State and have built a career at C&S Wholesale. I began serving as a Ward Councilor in September 2021 and have felt honored to represent the people of Ward 3 ever since. I've focused my time on a variety of topics, including homelessness issues, sidewalk infrastructure improvements and recreation opportunities at Wheelock Park, among many others. As a lifelong citizen of Keene and one that plans on being here for a long time to come, my desire to see the best for Keene in both the short and long term is what drives me to offer my service for another 4 years to my fellow residents of Ward 3.
