R-93-25

In the Year of Our Lord One Thousand Nine Hundred ~~xxx~~ Ninety Three.....

A RESOLUTION RELATING TO SPECIAL EQUIPMENT PURCHASE STANDARDIZATION.....

*Resolved by the City Council of the City of Keene, as follows:*

WHEREAS: There are certain items of equipment regularly purchased by the City that need to be compatible with each other, need regular stocking of compatible replacement parts, and need reliable factory maintenance, and

WHEREAS: City ordinance (Paragraph H & I, Subsection 15, Section 2, Chapter 7) provides that the normal purchasing requirements may be waived where it is deemed inadvisable to solicit bids because of a single source of supply or because of the need of standardization of materials, supplied and equipment or services,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Keene that the Council hereby waives any City purchasing requirements to the contrary and authorizes the standardization of Physio-Control Defibrillator purchases, as long as the City staff is aware that the prices being paid by the city are competitive with the prices being charged by those companies to other municipalities and competitive in general with similar products from other companies.

SUBJECT: RESOLUTION R-93-25: RELATING TO SPECIAL EQUIPMENT  
PURCHASES STANDARDIZATION-PHYSIO CONTROL DEFIBRILLATOR

On a vote of 5 - 0, the Finance Committee recommends adoption of Resolution of R-93-25.

Robert E. Williams  
Chairman/Designee

Background Notes:

The Manager explained that this resolution in complying with the purchasing regulations establishes a standard for physio control defibrillator equipment. In referring to the memorandum from Chief Pepler, the reason for standardizing on defibrillator equipment is to save time, money and training efforts and reduce confusion that could occur in an emergency situations.

In City Council October 7, 1993  
The report was filed into the record.
