

KPL Fine Arts Committee,  
Wednesday, September 5, 2024

Present: Committee Members: Judy Putnam, Jane Pitts Staff: Susan Bloom

The Committee finalized the form for a standard meeting agenda.

1. Approval of past meeting minutes
2. Old Business
  - Report on ongoing projects
  - Recommendations to Board
3. New Business

The Committee discussed using funds donated in memory of Suzanne Nadeau (to date \$2835) for the new display case. The Board liked the idea and the cost of the case is similar. The display case cost \$2078, and will need a lock installed and props to support items displayed. We will also need a plaque, which can be made in the Maker Space. The committee suggested inviting the Nadeau family in October for a small reception. Susan will communicate with the family.

Displays are already planned for the display case. In September there will be a display in observance of Constitution Week. Later on, a display of historical items from the Price Room is planned. Katelyn McStravick will reach out to the community on the new opportunity offered by the display case.

Kathleen Kennedy Burke has agreed to continue on the committee, but was out of town this week.

We will meet again on October 2 and on December 4.
