Re: Public Meeting Invitation - Marlboro Street Rehabilitation Project

Parcel: 1234 Marlboro St.

Dear Property Owner,

As you may know, the City is planning a major rehabilitation project for Marlboro Street this summer. Work will include water and sewer main rehabilitation, curb and sidewalk repair, paving, and streetscape improvements. We anticipate the project will last the majority of the construction season. There will be temporary traffic impacts for the duration of construction. We also expect minor temporary impacts to water and sewer services for some properties.

We are holding a public information meeting on Tuesday, January 15 to review the project. The meeting will be in the Blastos Room at the Keene Ice Arena at 380 Marlboro Street. The entrance to the Blastos Room is to the right of the main entrance to the facility. The City's design consultant and staff will be available to provide details. This will be a great opportunity to review the preliminary design plans, provide input, and have any questions answered. The schedule for the meeting is as follows:

4:30 – 6:00 PM:	Open House
6:00 PM – 6:30 PM:	Presentation
6:30 PM – 7:30 PM:	Questions and Answers

Visit this link for an electronic version of the invitation flyer: <https://bit.ly/2TpK7Ts>

Visit this link for a recent Keene Sentinel article about the project: <https://bit.ly/2OnAWkK>

If you have any questions, please do not hesitate to call the public works department at 603-352-6550. We look forward to making this a successful project for the City's residents, businesses, and visitors. Thanks in advance.

Sincerely,

Brett Rusnock

Brett Rusnock, PE, Civil Engineer
