The Commercial Lot has some public spaces available overnight on Tuesday, Thursday, and Saturday nights.
- Mon/Wed/Fri/Sun Nights**
The Elm and Gilbo East Lots have some public spaces available overnight on Monday, Wednesday, Friday, and Sunday nights.
- Mon/Wed/Fri/Sat/Sun Nights**
The Wells Lot is the paved lot directly behind the Fairfield Inn (NOT the parking deck) and has some public spaces available on Monday, Wednesday, Friday, Saturday, and Sunday nights.

Public parking lots are available during winter weather parking bans that prohibit on-street parking. These parking lots are available for overnight parking on various nights of the week. Each lot has to be cleared of snow, so the overnight parking availability rotates between the lots daily to accommodate snow removal operations. *Please read the signs carefully to avoid parking in reserved spots!
