A RESOLUTION Relating to Purchasing Used Vehicles as part of the Fleet Services
Division Fleet Replacement Program

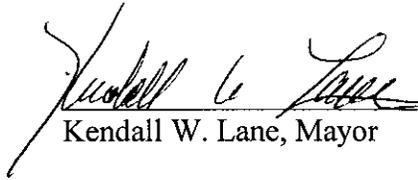

Resolved by the City Council of the City of Keene, as follows:

WHEREAS: The City of Keene Public Works Department Fleet Services Division manages a fleet replacement program to provide for the orderly replacement of vehicles and equipment in the City's fleet, and

WHEREAS: Under certain conditions purchasing a used vehicle or equipment makes economic sense when compared to purchasing a new vehicle or equipment, and

WHEREAS: City Code Sec. 2-1336 provides that the normal purchasing requirements may be waived where it is deemed inadvisable to solicit bids because of a single source of supply.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Keene that the Council hereby waives any City purchasing requirements to the contrary and authorizes the City Manager to do all things necessary to purchase used vehicles or equipment where such purchase provides superior value to the City of Keene.
