MODERATOR'S WORKSHEET

Reconciling Votes, Voters, and Ballots Cast 11/8/2022

FOR GENERAL ELECTION OR _____ PARTY PRIMARY

(Republican or Democratic)

Moderators are required to submit this worksheet to their town or ward clerks within 48 hours of the closing of the polls (RSA 659:73). It is the moderator's job to ensure that votes are accurately counted (RSA 659:60)

For the State Primary Election, you must complete one form per party.

Town or City: **Keene** Ward: **5** County: **Cheshire**

Moderator: **Christine Houston** Clerk: **John Theriault**

PART I.

The first part of the reconciliation process consists of *four separate tallies*: (A) Ballots Cast (Inventory), (B) Voter Participation Tallied at Check-In, (C) Voter Participation Tallied at Check-Out/Ballots Cast Tape, and (D) Hand Count of Ballots Cast. Ideally, these *four counts should result in the same number* of ballots cast and voters participating (In the end, **TOTAL A = TOTAL B = TOTAL C = TOTAL D = TOTAL Count of Votes in Contests (from Part II)**). While we recognize that errors may occur which could result in small differences in the four Part I totals, Moderators are urged to *carefully consider* these tally numbers *before finalizing results* on election night.

(4) ADD Photocopy or absentee ballots **CAST** as Official Election Day Ballots + (4) _____
  (*These are the substitute ballots used if the polling place runs out of Election Day Ballots.*)

(5) **Total Number of Ballots Cast by ELECTION DAY voters** (*Calculate 1 through 4*) = **2037**

(6) State Absentee Ballots Cast (6) **187**

(8) ADD other full (UOCAVA) Absentee Ballots Cast + (8) **6**

Do NOT include ballots simply because they had write-in votes.*)

D. HAND COUNT OF BALLOTS CAST

You may hand count the total number of **ballots** cast.   **TOTAL D =** [ ]

PART II.   VOTES IN CONTESTS IN THE PRIMARY OR GENERAL ELECTION

Compare the ballots cast (**TOTALS A, B, C, and D**) from PART I of this form) with the total **votes** cast from the "**Votes in Contests**". If there are any significant discrepancies, please ask your election team to carefully review their tallies.

It is important to *resolve discrepancies on election night before announcing results* and avoid errors which, for example, may indicate more votes tallied in a particular contest than total ballots cast.

TALLY CATEGORY	TOTAL Votes, Voters, or Ballots Cast
TOTAL A – Ballots Cast (Using Inventory) (*from Grand Total on reverse side*)	2234
TOTAL B -- Voters at Check-in (*from reverse side of this form*)	2236
