In some instances this may include properties across a street or highway or properties on another tax map. In the case of an abutting property being under a condominium or other collective form of ownership, the officers of the collective or association will be notified. The City tax maps are the accepted authority for this information, and the Assessing staff will provide assistance as needed though the process is outlined here for instruction with the ultimate responsibility for the abutters list falls on the applicant. An abutter list form is attached to this packet, may be obtained from the Clerk of the Board or the Code Enforcement Department. Two (2) sets of legible mailing labels (Avery 5160, 1"x2 5/8" or equivalent) for each abutter which will include the property owner and their designated agent will be submitted. Included on the label will be the property tax map number, property owner's name and mailing address (if different than the abutting property). The above information must be submitted to the Clerk of the Board by 4:30 PM on the day of the filing deadline. Deadlines and meeting dates may be obtained from the Clerk of the Board or the Code Enforcement Department. Until **all** of the required information is received, the petition **will not** be placed on the agenda.

2. The Clerk of the Board will set a date, time and place for a public hearing and shall notify the applicant(s) and all property owners within two hundred (200') feet of the property in question (using the information supplied in the notarized abutters list) by certified mail, and shall cause a public notice of the hearing to be published in a newspaper of general circulation in the area at least five (5) days prior to the date fixed for the hearing of the petition.

3. The applicant(s) shall pay to the Clerk of the Board at the time of filing, a non-refundable filing fee of \$100.00 plus the current USPS postal rate for certified mailings for each abutter, owner and applicant, and the cost of \$62.00 to publish a legal notice advertisement in the local newspaper.

**GENERAL INFORMATION**

The Zoning Administrator will be available to assist the applicant(s) with the application form, drawings and plans. Clarification of the Zoning Ordinance may be obtained from the Zoning Administrator. Legal assistance should be obtained from the applicant's personal attorney.

A decision is usually rendered by the Board at the same meeting at which the public hearing is held. In some instances, the decision may be made at a later date. If this is the case, the applicant(s) will be informed of when the decision is to be made. In making their decision, the Board will make findings of fact and then set forth the reasons for their decision.

If a petition is denied, the applicant(s) may file a motion for a rehearing specifying the grounds for rehearing the petition. Every ground upon which it is claimed that the decision rendered is unlawful or unreasonable must be set forth fully. Said motion for rehearing must be filed with the Clerk of the Board within thirty (30) days after the decision is rendered.

If a motion for rehearing is denied by the Board, the applicant(s) may appeal to the Superior Court within thirty (30) days after the decision has been rendered. The **only** grounds for appeal are those set forth in the motion for rehearing.

### **BASIC RULES OF PROCEDURE FOR CONDUCT OF MEETINGS**

Every attempt is made to provide a five member Board however, if, for any reason, five members are not available, the petitioner(s) may elect to postpone the hearing and decision until the next meeting of the Board at which five members are present.

For the benefit of those in attendance at public hearings, the Chairman will briefly explain the procedure before the hearings begin and introduce the members of the Board.

The public hearings will be held first with the applicant(s) and/or his/her representative presenting the petition. Then those wishing to speak in favor of the petition may do so, followed by those wishing to speak in opposition to the petition. After this the applicant(s) and those in favor may speak in rebuttal, followed by the rebuttal of those in opposition. The debate may be closed when the Chairman deems it appropriate. All public hearings and Board deliberations are tape recorded.

All comments must be addressed to the Chair. Anyone rising to address the Chair should identify him/herself, giving his/her name and address. No one will be allowed to speak twice until all who wish to speak have been heard.

Reasons will be given for all decisions of the Board and references made to the appropriate sections of the Zoning Ordinance. In the event the Board wishes to postpone making a decision, the applicant(s) will be so advised. All decisions will be announced by the Chair at the time they are made, and formal written notification will be mailed to the applicant(s) within seventy-two (72) hours after the decision is rendered.

In the event no one is available to present a petition to the Board at the public hearing, the petition will be automatically dismissed on the grounds that no public hearing has been held. A petition may be withdrawn by the applicant(s) by notifying the Clerk of the Board of this intention.

Please note, these rules are intended to give the applicant a general understanding of the meeting process, and therefore are not complete. For the complete set of rules, please see the City of Keene Zoning Board of Adjustment Rules of Procedure.

5. Unnecessary Hardship

A. Owing to special conditions of the property that distinguish it from other properties in the area, denial of the variance would result in unnecessary hardship because:

i. No fair and substantial relationship exists between the general public purposes of the ordinance provision and the specific application of that provision to the property because:

and

ii. The proposed use is a reasonable one because:

B. Explain how, if the criteria in subparagraph (A) are not established, an unnecessary hardship will be deemed to exist if, and only if, owing to special conditions of the property that distinguish it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance, and a variance is therefore necessary to enable a reasonable use of it.
