## CITY OF KEENE NEW HAMPSHIRE

**Meeting Date:** July 7, 2021  
**To:** Municipal Services, Facilities and Infrastructure Committee  
**From:** Patricia Little, City Clerk  
**Through:**  
**Subject:** **Warrant for Unlicensed Dogs - City Clerk**

---

**Recommendation:**

Warrant for Unlicensed Dogs - City Clerk

**Attachments:**

1. dog warrant 2021\_updated

**Background:**

State Statute provides that the City Council authorize the annual warrant for unlicensed dogs. The civil forfeiture carries a \$25.00 fine that must be paid by the dog owner within 15 days of receiving notice. Failure to license the dog and pay the civil forfeiture would result in a complaint being filed with the Keene Eight Circuit Court.

At this time, there are approximately 545 dog owners with 680 dogs remaining unlicensed. The following mechanisms for reminding dog owners of the licensing requirement were followed: 2 official publications appeared in The Keene Sentinel, monthly reminder emails were sent to dog owners beginning in March, reminder postcards were sent to owners with no email addresses in April. We are also in the process of making personal phone calls to owners with no email address on file. To date, the City Clerk's office has issued 2,266 dog licenses for the 2021-2022 license period.

We continue to see some residual impacts of the pandemic, in that there are some dog owners that are still finding it difficult to access services to revaccinate their dog for rabies. This impact, coupled by the large number of citizens that failed to relicense in 2020 has affected the number of owners on the Warrant. Fines are typically issued on or around July 15th and are due within 15 days of issuance. The City Clerk's Office will continue outreach efforts to reduce the number of fines that need to be sent.
