R-93-27

In the Year of Our Lord One Thousand Nine Hundred and

A RESOLUTION RELATING TO THE STANDARDIZATION OF STREETLIGHT FIXTURES

Resolved by the City Council of the City of Keene, as follows:

WHEREAS: There are certain items of equipment regularly purchased by the City that need to be compatible with each other, need regular stocking of compatible replacement parts, and need reliable factory maintenance, and

WHEREAS: City ordinance (Paragraph H & I, Subsection 15, Section 2, Chapter 7) provides that the normal purchasing requirements may be waived where it is deemed inadvisable to solicit bids because of a single source of supply or because of the need of standardization of materials, supplied and equipment or services,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Keene that the Council hereby waives any City purchasing requirements to the contrary and authorizes the standardization of Moldcast Light Pole(s) Fixture(s) and Lamp(s) purchases and further that the sole source of supply for this item be through Twin State Electrical Supply, Keene, New Hampshire or Charron Inc, 40 Londonderry Turnpike, Hooksett, New Hampshire as they are the only authorized suppliers for Maine, New Hampshire and Vermont as long as the City staff is aware that the prices being paid by the City are competitive with the prices being charged by those companies to other municipalities and competitive in general with similar products from other companies.
