WHEREAS, RSA 79-E further declares it a public benefit to encourage the rehabilitation of underutilized structures in urban and town centers as a means of encouraging growth of economic, residential, and municipal uses in a more compact pattern, in accordance with RSA 9-B.; and

WHEREAS, RSA 79-E also declares it a public benefit to provide short-term property assessment tax relief and a related covenant to protect public benefit in order to encourage substantial rehabilitation and use of qualifying structures, or in certain cases, the replacement of qualifying structures, as described herein; and

WHEREAS, RSA 79-E:3 permits municipalities to adopt modifications of the provisions of RSA 79-E, as set forth within the Statute.

WHEREAS, on December 21, 2017 the City Council adopted RSA 79-E within certain districts located within the City as defined in R-2017-41; and

WHEREAS, the City Council hereby rescinds R-2017-41, and readopts and expands RSA 79-E in accordance with this Resolution;

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Keene that the Council hereby readopts and re-implements the provisions of RSA 79-E, with certain modifications, as follows:

A. For purposes of administering a RSA 79-E program within Keene, the City hereby defines that a "qualifying structure" shall mean a non-residential building, a mixed use building with residential uses occupying less than 50% of the gross living area, or a residential use building, being located within the area depicted on the map labeled "City of Keene Community Revitalization Tax Relief Incentive (RSA 79-E) District" dated _____ attached hereto and made part of this Resolution.

B. For purposes of administering a RSA 79-E program within Keene, the City Council shall ensure that the proposed substantial rehabilitation provides one or more of the following public benefits, or that the proposed replacement provides one or more of the public benefits to a greater degree than would substantial rehabilitation of the same qualifying structure:

- I. It enhances the economic vitality of downtown areas;
- II. It enhances and improves a structure that is culturally or historically important on a local, regional, state, or national level, either independently or within the context of an historic district, town center, or village center in which the building is located;
- III. It promotes the preservation and reuse of existing building stock throughout a municipality by the rehabilitation of historic structures, thereby conserving the embodied energy in accordance with energy efficiency guidelines established by the U.S. Secretary of the Interior's Standards for Rehabilitation;
- IV. It promotes efficient design, safety, and a greater sense of community in a manner consistent with the Keene Comprehensive Master Plan;
- V. It will add to the City's employment base by creating at least one new, full-time job in Keene's downtown area;
- VI. It directly supports the integration of public art in the downtown; or
- VII. It promotes development of a sustainable building stock in the downtown that achieves a nationally or internationally recognized green building standard (e.g. LEED, Green Globes, National Green Building Standard, and International Green Construction Code).
- VIII. It maintains owner occupancy of a residential building or it returns a residential building to owner occupancy;
- IX. It results in an increase in energy sustainability in conformance with the City adopted greenhouse gas initiatives as determined by a home energy score of at least six (6), and demonstrated carbon emission reduction of at least 10%.

C. "Substantial Rehabilitation" shall mean rehabilitation of a qualifying structure which costs at least \$75,000 and, in certain cases, replacement of a qualifying structure which costs at least \$75,000;

D. "Tax Relief Period" shall mean that for a period of up to five (5) years the property tax on a qualifying structure shall not increase as a result of the substantial rehabilitation or reconstruction thereof, beginning only upon completion of substantial rehabilitation or, in the case of a replacement structure, upon completion of its construction;

E. In accordance with RSA 79-E:5, the duration of the tax relief period for applications filed in Keene shall be considered in the context of each specific application and shall only provide that level of tax relief necessary in the discretion of the City Council to effectuate the specific targeted public benefit(s) outlined as determined by the City Council. By way of example, a qualifying project that is deemed by the City Council to provide one or two of the public

benefits listed above may be granted a tax relief period of up to two years, and a qualifying project that provides three or more public benefits may be granted a tax relief period of up to five years; provided, however, that in determining what, if any, tax relief duration to provide, the City Council may consider the impact the proposed substantial rehabilitation will have on existing, or required, City infrastructure.

BE IT FURTHER RESOLVED that a property owner, as a condition of being granted such tax relief, shall

A. Document the proposed public benefit(s) at the time of the application for tax relief under the Keene RSA 79-E program; and

B. Provide the City promptly with all information and documentation that the City may deem relevant for review of the application for such tax relief, as well as for review of the rehabilitation or replacement project under federal, state, and local laws, codes and regulations, as may be applicable; and

C. Grant to the City a Covenant ensuring that the structure shall be maintained and used in a manner that furthers the public benefit(s) for which the property tax relief was granted and shall require the property owner to obtain casualty insurance, and flood insurance, if appropriate, for twice the term of the tax relief granted; and

D. Grant to the City a lien against the property for the purpose of ensuring proper restoration or demolition of damaged structures and property; and

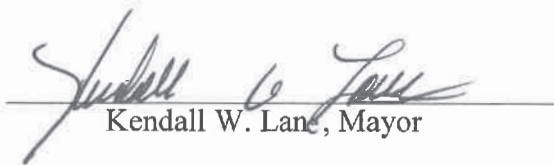

E. Maintain the property as taxable, regardless of whether the property owner is otherwise subject to property taxes under RSA Chapter 72; and

BE IT FURTHER RESOLVED that if the Covenant is terminated for any reason, the City shall assess all current and arrears taxes, with interest, to the property owner as though no tax relief was granted in accordance with RSA 79-E:9,II; and

BE IT FURTHER RESOLVED that the City Manager or her or his designee, is hereby authorized to execute all documents and undertake all actions as may be required to implement this resolution.

This resolution shall take effect upon sixty (60) days following approval by City Council.
