SECTION 3: WAIVER REQUEST INSTRUCTIONS

Per **Article 26.12.14** of the [Land Development Code \(LDC\)](#), Applicants may request a waiver from strict compliance with specific provisions of the Site Development Standards in **Article 21**, site plan review standards in **Article 26.12**, or CUP standards in **Article 26.14** of the LDC.

Applicants seeking a waiver from CUP standards outlined in **Article 12** of the LDC shall apply to the Zoning Board of Adjustment (ZBA) for a variance.

EXEMPTIONS VS. WAIVERS: Waiver requests are submitted when an application will not comply with all applicable standards. Exemptions may be requested from submitting materials that are not relevant to an application by checking the appropriate box under **Section 3** of the application form.

Any waiver request must be in writing, and must cite the specific regulation or standard a waiver is requested from and the reason(s) why it cannot be met. In addition, the waiver request should address the following waiver criteria:

1. Strict conformity would pose an unnecessary hardship to the applicant and the waiver would not be contrary to the spirit and intent of the regulations.
2. Specific circumstances relative to the site plan, or conditions of the land in such site plan, indicate that the waiver will properly carry out the spirit and intent of the regulations.
3. In granting a waiver, the Planning Board may require any mitigation that is reasonable and necessary to ensure that the spirit and intent of the standard being waived will be preserved, and to ensure that no increase in adverse impacts associated with granting the waiver will occur.

PLEASE SUBMIT A SEPARATE WAIVER REQUEST FOR EACH STANDARD THAT YOU ARE REQUESTING A WAIVER FROM.

Please call the Community Development Department at 603-352-5440 if you have questions about waivers and exemptions.
