

KPL Fina Arts Committee Meeting

December 3, 3025

Called to order at 10:00.

Present: Judy Putnam and Jane Pitts, Trustees; and Susan Bloom, Assistant Director, and Amy Kraemer, Head of Youth and Community Services

Minutes of the September meeting were approved as presented.

Members of the committee and staff had visited the home of Helen Jesse to view her collections of miniatures and doll houses. A new home for the collection is being sought as the owner will be moving. The committee thought that although the collection is fascinating, it was not a project the Library could help with, as we don't have space, and the collection is not directly relevant to the community we serve.

Amy has continued to research display boards and will be ready to recommend/purchase appropriate boards soon. These display boards would enlarge our capacity to host exhibits. We hope to have the Keene High School Scholastic Arts Award exhibit, and perhaps a Middle School exhibit as well.

Judy will be in touch with Justin Somma about joining the committee.

The meeting adjourned at 10:45.
