Council Chambers, Keene City Hall  
May 28, 2026  
6:00 PM

**A. AGENDA ITEMS**

1. Continued Discussion - Draft Resolution for Consideration Addressing the Burden on Local Property Taxpayers
2. Appointment of Emergency Management Director effective July 1, 2026 - City Manager
3. Execution of Contract - Design Services for Ashuelot River Park Greenspace Playground Consultant Selection - Deputy City Manager
4. Execution of Contract - Fire Department – Professional Health Services (PHS) - Fire Chief
5. Acceptance of 2025 FEMA SAFER Grant - Fire Chief
6. Fire Department Staffing Presentation and Consideration of Draft Resolution - Fire Chief and Deputy Fire Chief
7. Execution of an Agreement with Wright Pierce for Engineering Services During Construction for the Martel Court Pump Station Bypass Force Main Project - City Engineer
8. Execution of a Contract Change Order for Construction Services with Vortex for the FY26 Stormwater Spot Repairs Project - City Engineer
9. Relating to Water & Sewer Utility Charges  
Ordinance O-2026-07
10. Fiscal Year 2027 Wage Schedules  
Ordinance O-2026-11
11. Relating to the 2026/2027 Fiscal Year Budget  
Resolution R-2026-09
12. Relating to Appropriation of Funds for the FY 2026-2027 Bond Issues: Ashuelot River Green Space, Ashuelot River Dam Repair or Removal, Downtown Infrastructure Improvements & Reconstruction Project, Gilbo Ave Solar Pavillion Project, Lower Winchester Street Reconstruction, Roadway Preservation & Rehabilitation Program, Robin Hood Park Improvement Project, Stormwater Resiliency Program, Martell Court

Bypass Project, Downtown: Sewer Improvements Program, Water Distribution Improvements Program.

## DRAFT RESOLUTION

### A RESOLUTION REQUESTING TERMINATION OF STATE OF NH POLICIES AND DOWNSHIFTS THAT BURDEN LOCAL PROPERTY TAXPAYERS

**WHEREAS**, Recent New Hampshire state budgets have reduced or eliminated key revenue sources, forcing the City of Keene along with other municipalities, school districts, and counties to raise property taxes to maintain education, healthcare, county nursing homes, public safety, and infrastructure; and

**WHEREAS**, the erosion and unpredictability of state grant funding to municipalities has further shifted financial responsibility to local governments, increasing reliance on property taxes to sustain essential programs and services; and

**WHEREAS**, the State created a statewide retirement system intended to support municipal, county, school, police, and fire employees and slowly reduced its share of contributions, resulting in more than a million dollars a year in additional costs to the City (total additional costs of approximately \$13 million).

**WHEREAS**, the State created a broader revenue sharing program in 1969 to return a portion of state revenues back to municipalities as a result of the elimination of towns' and cities' ability to tax part of the agricultural economy. The City of Keene in 2008 had been receiving approximately \$992,000 per year; this was reduced by the State in 2010 to \$550,000 and subsequently eliminated. (To date, the City has lost approximately \$15.8 million as a result of this change.)

**WHEREAS**, The Meals and Rooms Tax was enacted in 1967 as a statewide tax tied to tourism and economic activity. At the time, the intent was for the State to retain 60% of the revenue and distribute 40% to municipalities, recognizing that local roads, infrastructure, police and fire protection, utilities, and other municipal services support tourism and economic development. Over time, the State reduced the municipal share, and although a 1993 catch-up formula was created to work back toward the 60/40 split, that formula was later suspended repeatedly. As a result, communities have received substantially less than the original 40% municipal share contemplated under the original framework. Based on historical distribution percentages since 2001 — all below 30% —

the City estimates Keene has received approximately \$15–\$20 million less than it would have under the original 40% formula. At current distribution levels, the annual difference for Keene is estimated at approximately \$700,000 per year.

**WHEREAS**, these downshifts burden working families, strain local budgets, limit flexibility, and undermine long-term community prosperity; and

**WHEREAS**, a state budget that prevents cost-shifting and restores municipal revenue-sharing eases the tax burden on local property taxpayers and strengthens communities.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF KEENE AS FOLLOWS:** We the governing body of the City of Keene call upon Governor Kelly Ayotte, the State of New Hampshire Executive Council, and the New Hampshire State Senate and House of Representatives to protect local taxpayers by ensuring adequate state revenues for essential services, and by avoiding policies that downshift costs onto local property taxpayers.

DRAFT

# CITY OF KEENE NEW HAMPSHIRE

ITEM #A.2.

**Meeting Date:** May 28, 2026  
**To:** Finance, Organization and Personnel Committee  
**From:** Elizabeth Ferland, City Manager  
**Through:**  
**Subject:** **Appointment of Emergency Management Director effective July 1, 2026 - City Manager**

---

**Recommendation:**

Move that the Finance, Organization, and Personnel Committee recommend, in accordance with RSA 21-P:39, I and City Code of Ordinances Section 30-58(a), the appointment of Rick Wood as the City's Emergency Management Director effective July 1, 2026.

**Attachments:**

None

**Background:**

The City of Keene maintains an Emergency Management organization under the City Manager's Office pursuant to City Code of Ordinances Section 30-56. The purpose of this organization is to prepare for, respond to, recover from, and mitigate the impacts of emergency events. This is accomplished through education, training, and resource coordination, empowering citizens and stakeholders to build a culture of preparedness and promoting a unified approach to safeguarding lives, property, businesses, and the environment in Keene. This office serves as the coordinating agency for all activities related to emergency planning and is the instrument through which the City may exercise the authority and discharge the responsibilities vested in it by RSA 21-P, Homeland Security and Emergency Management (as amended), the City Charter, and the City Code of Ordinances.

The Emergency Management Director is responsible for overseeing the activities of the Emergency Management organization. The individual appointed to this position should be trained and experienced in coordinating planning and operational activities involving multiple City departments and outside agencies. This position is an additional duty assignment.

RSA 21-P:39, I requires that the Emergency Management Director be appointed by the City Council. City Code of Ordinances Section 30-58(a) further requires the City Manager to forward a recommendation for appointment.

I recommend Rick Wood for the position of Emergency Management Director. Rick has been

2026-234

employed with the City since 2024 and, through his role as Fire Marshal, has developed a strong working knowledge of City operations and the roles and responsibilities of the various municipal departments. He regularly coordinates with City staff, regional partners, state agencies, and outside stakeholders on emergency planning, fire prevention, life safety, and incident response matters.

Rick is familiar with emergency management activities at the local, state, and federal levels and has extensive experience working within the Incident Command System and emergency response environment. In his current role, he has been involved in emergency preparedness planning, code enforcement, hazard mitigation efforts, public education initiatives, and coordination associated with complex incidents and special events. He is currently credentialed as a Certified Emergency Manager through the International Association of Emergency Managers.

In addition, Rick is a nationally recognized instructor in fire and life safety codes, existing building codes, and building code application and interpretation. He has extensive experience in code analysis, plan review, inspections, and regulatory compliance. His technical expertise, leadership experience, and collaborative working relationships across departments make him well qualified to serve in this additional role.

# CITY OF KEENE NEW HAMPSHIRE

ITEM #A.3.

**Meeting Date:** May 28, 2026  
**To:** Finance, Organization and Personnel Committee  
**From:** Andrew Bohannon, Deputy City Manager  
**Through:** Elizabeth Ferland, City Manager  
**Subject:** **Execution of Contract - Design Services for Ashuelot River Park Greenspace Playground Consultant Selection - Deputy City Manager**

---

**Recommendation:**

Move that the Finance, Organization and Personnel Committee recommend that the City Manager be authorized to do all things necessary to negotiate and execute a professional service contract with Lu-La Studio for conceptual design services required for the Ashuelot River Park Greenspace project for an amount not to exceed \$34,980.00 with funding to come from Project Cost Center (65M002BB-300-O-521020).

**Attachments:**

None

**Background:**

Through the Capital Improvement Program (CIP), the City is requesting services for the design phase of improvements to the Ashuelot River Park Greenspace Playground, located at 0 Ashuelot Street adjacent to the Ashuelot River Park arboretum. This playground enhancement project represents an important investment in expanding recreational opportunities and strengthening community use of this signature public space. Requested services include community outreach, preliminary and final design, cost estimating, and preparation of construction documents. Assuming successful completion of the design phase in partnership with SWRPC and the Monadnock Conservancy, the City will request a proposal for construction oversight to be negotiated at a later date. The selected consultant will be responsible for developing a distinctive and engaging natural recreational environment that fits within the available site, schedule, and budget. The anticipated overall construction budget is approximately \$1,000,000, and construction funds are represented in the FY 2028 CIP along with various grant funding opportunities and community fundraising.

The City issued a Request for Proposals (RFP) for conceptual design services in April 2026. A staff team consisting of the Deputy City Manager, Parks and Recreation Director, and Executive Director of the Monadnock Conservancy, a Planner from Southwest Regional Planning Commission, reviewed and ranked the four responses that were received. Proposals were reviewed based on the following criteria and weighting.

Project Approach	35%
------------------	-----

Project Team	20%
Past Project Experience & Client Reference	15%
Project Schedule	15%
Project Fee Structure & Cost Estimate	10%
Presentation of Proposal	5%

From the four (4) proposals, the team agreed to interview all four firms.

- Ashley McGraw
- Learning Landscapes
- Lu-La Studio
- Sashie Misner

Interviews were held on May 20 and 21, and the same review team evaluated the firms on the following criteria:

Understanding of Project	15%
Approach to Solving our Needs	15%
Presentation Skills of Project Manager	15%
Fee Proposal	15%
Rapport between City and Team	10%
Quality of Presentation	10%
Proposed Schedule & Resources	5%
Innovation and Creativity	5%
Public Engagement Plan	10%

Below is a table of the composite scores of the team and the ranking of the four firms.

<u>Firm</u>	<u>Score</u>
Lu-La Studio	19.26
Learning Landscapes	19.19
Sashie Misner	16.83
Ashley McGraw	10.75

It is recommended that the City Manager be authorized to negotiate and execute a professional service contract with Lu-La Studio.

## CITY OF KEENE NEW HAMPSHIRE

ITEM #A.4.

**Meeting Date:** May 28, 2026  
**To:** Finance, Organization and Personnel Committee  
**From:** Jason Martin, Fire Chief  
**Through:** Elizabeth Ferland, City Manager  
**Subject:** **Execution of Contract - Fire Department – Professional Health Services (PHS) - Fire Chief**

---

**Recommendation:**

Move that the Finance, Organization and Personnel Committee recommend that the City Manager be authorized to do all things necessary to execute a contract with Professional Health Services (PHS) to provide NFPA 1582 occupational medical physicals.

**Attachments:**

None

**Background:**

The Fire Department issued a Request for Proposals for firefighter occupational medical examinations, specifically NFPA 1582 occupational medical physicals. After reviewing the proposals received, the department recommends awarding the contract to Professional Health Services (PHS).

## CITY OF KEENE NEW HAMPSHIRE

ITEM #A.5.

**Meeting Date:** May 28, 2026  
**To:** Finance, Organization and Personnel Committee  
**From:** Jason Martin, Fire Chief  
**Through:** Elizabeth Ferland, City Manager  
**Subject:** **Acceptance of 2025 FEMA SAFER Grant - Fire Chief**

---

**Recommendation:**

Move that the Finance, Organization and Personnel Committee recommend that the City Manager be authorized to do all things necessary to apply for, accept and expend the 2025 FEMA SAFER Grant.

**Attachments:**

None

**Background:**

In October 2024, the City Manager put together a committee to look at Fire Department staffing and needs. The members of this committee decided to bring the information gathered to the FOP Committee. The City applied for the 2024 FEMA SAFER Grant and was unsuccessful. This request is a continuation from the original Staffing Committee. If awarded, the 2025 FEMA SAFER Grant would fund 75% of the salaries for two years, then 25% for a third year.

# CITY OF KEENE NEW HAMPSHIRE

ITEM #A.6.

**Meeting Date:** May 28, 2026  
**To:** Mayor and Keene City Council  
**From:** Jason Martin, Fire Chief  
**Through:** Elizabeth Ferland, City Manager  
**Subject:** **Fire Department Staffing Presentation and Consideration of Draft Resolution - Fire Chief and Deputy Fire Chief**

---

**Recommendation:**

Move that the Finance, Organization and Personnel Committee recommend the presentation regarding Fire Department Staffing be accepted as informational, and that the City Manager be directed to introduce a Resolution for first reading at the next City Council meeting Related to an amendment to the 2026/2027 Fiscal Year Budget for Fire Personnel.

**Attachments:**

1. DRAFT Fire Resolution 5.27.26 AB

**Background:**

In October 2024, the City Manager established a committee to review Fire Department staffing and needs. The members of this committee examined call data, response models, staffing models and revenues to determine the desired staffing number for adequate coverage and efficiency. The committee decided to bring this information to the FOP Committee with a request to apply for the 2024 SAFER Grant (total of 16 additional firefighters). The City ultimately applied for the 2024 FEMA SAFER Grant and was unsuccessful. In June 2025 while waiting for results from FEMA in reference to the grant, the City went ahead and approved the addition of (4) firefighters to staff a third ambulance 24/7. This model is used to staff the minimum apparatus needed to cover the increased call volume. The staffing committee continues to meet to evaluate Fire Department staffing. This draft resolution and request for additional (4) firefighter is coming from the continued work of committee made up of City staff and City Councilors.

*DRAFT*

A RESOLUTION Relating the appropriation of additional funds for the 2026/2027 fiscal year budget for fire personnel

That the additional sum of \$525,460 be raised by taxation during the current year and appropriated to the Fire Department for the purpose of adding four (4) additional firefighters for the fiscal year beginning July 1, 2026.

FY 2027 General Fund-Fire Department Expenditure Appropriation

401/40200000	Personnel costs including wages, benefits & other related costs (NHRS, Medi, WC)	\$ 483,900
400/401/40200000	Operating related expenses	\$ 41,560

# CITY OF KEENE NEW HAMPSHIRE

ITEM #A.7.

**Meeting Date:** May 28, 2026

**To:** Finance, Organization and Personnel Committee

**From:** Bryan Ruoff, City Engineer

**Through:** Elizabeth Ferland, City Manager  
Donald Lussier, Public Works Director

**Subject:** **Execution of an Agreement with Wright Pierce for Engineering Services During Construction for the Martel Court Pump Station Bypass Force Main Project - City Engineer**

---

**Recommendation:**

Move that the Finance, Organization and Personnel Committee recommend that the City Manager be authorized to do all things necessary to negotiate and execute an agreement with Wright Pierce for the scope of Engineering Services during Construction for the Martel Court Sewer Pump Station Bypass Force Main Project (32JM012A) in an amount not to exceed \$465,000.

**Attachments:**

None

**Background:**

As part of the Martel Court Sewer Pump Station Bypass Force Main Project (32JM012A), the City advertised a request for qualifications (RFQ) for engineering services related to the project's final design. One (1) qualifications submission was received from Wright-Pierce, which also completed the project's preliminary engineering services. Following receipt and review of the qualifications submission, the City identified Wright-Pierce as the preferred consultant and, in May 2025, negotiated and mutually agreed upon a scope of services, level of effort, and associated fee for the final design phase of the project.

In spring 2026, in anticipation of completing the final design and bidding the project for construction, the City requested that Wright-Pierce provide a proposed scope for Engineering Services During Construction, including services as both the Design Engineer of Record (DEoR) and Construction Engineering (CE) Services Consultant. The City received a draft scope for review and subsequently negotiated and mutually agreed upon the scope of engineering services during construction. Following City approval of the draft scope, the Engineering Division developed an Independent Government Estimate (IGE) for the proposed services. Upon completion of the IGE, Wright-Pierce submitted a final scope, level of effort, and associated fee for City review and approval.

The proposed fee, approximately \$465,000, exceeded the City's IGE by roughly 20%. However,

following discussions with Wright-Pierce, the City determined that the proposed level of effort and associated costs were based on reasonable assumptions and were appropriate for the scope and complexity of the project.

The project is currently being bid for construction services, with bids scheduled to be opened on May 28, 2026. Execution of an agreement for engineering services with Wright-Pierce will be deferred until construction bids have been reviewed and the City confirms that a qualified contractor can be awarded the project within the available project funding.

# CITY OF KEENE NEW HAMPSHIRE

ITEM #A.8.

**Meeting Date:** May 28, 2026

**To:** Finance, Organization and Personnel Committee

**From:** Bryan Ruoff, City Engineer

**Through:** Elizabeth Ferland, City Manager  
Donald Lussier, Public Works Director

**Subject:** **Execution of a Contract Change Order for Construction Services with Vortex for the FY26 Stormwater Spot Repairs Project - City Engineer**

---

**Recommendation:**

Move to recommend that the Finance, Organization and Personnel Committee recommend that the City Manager be authorized to do all things necessary to negotiate and execute a contract change order with Vortex in an amount not to exceed \$78,000 for the FY26 Stormwater Spot Repairs project.

**Attachments:**

None

**Background:**

In the fall of 2025, the City publicly bid for the Stormwater Drain Lining project and awarded the project to Vortex Companies. That project is receiving NHDES CWSRF funding for the scope of that project and is nearing completion. During the project, the Highway Division identified a number of storm drains in immediate need for rehabilitation that were confirmed as good candidates for lining to minimize the costs associated with the disturbance and associated necessary repairs for the work. Those drain repairs were issued as a separate contract in order to avoid confusion with the separate funding sources. In requesting pricing, the City's Engineering Division requested pricing for the scope of the drain lining spot repairs from three other contractors capable of performing the scope of the work, but Vortex, because they were already mobilized and working in the City consistently provided the most competitive pricing for the scope of drain repairs that pricing was requested for. In consideration of this, the Highway Division and Engineering Division identified an additional scope of drain repair work to be performed as part of the FY26 stormwater spot repairs program. Hiring Vortex for this additional drain lining scope is the most cost-effective and efficient option to the City. These additional costs from the initial contract exceed a 25% increase of the original executed agreement for construction services and require City Council authorization to execute.
